Subject: RE: Exide Technical Advisory Group & Stakeholder Meeting/Webinar

Dear Exide Advisory Group and Stakeholders:

Much like the webinar on the Omaha Lead project, this meeting is set up to be accessible as a webinar/call that Advisory Group members can access from anywhere. DTSC offered the Chatsworth office as option for those who prefer to participate in-person. Webinar presenters

and participants will be in different locations across the state. **Anyone can fully participate in the meeting from the convenience of their home or workplace.**

There are three options to participate:

1. **Webinar** – Register here so you can easily join tomorrow evening:
<https://attendee.gotowebinar.com/register/5404898274516645889>
2. **Conference Call** – Register at this link for conference call information:
<https://attendee.gotowebinar.com/register/5404898274516645889>
3. **In-person** – If you prefer to participate in-person, we will have the webinar set up at the DTSC Cypress and Chatsworth offices. Webinar presenters will be participating from across the state, but several DTSC staff will be in-person at each office to host you.

As you know, the Advisory Group has regularly scheduled in-person meetings, and this meeting is not meant to take the place of those regularly scheduled meetings. Please let us know if you have any additional questions.

Thank You

From: Castro-Valenzuela, Susan@DTSC

Dear Exide Advisory Group and Stakeholders:

We look forward to your participation in the Exide Technical Advisory Group & Stakeholder Meeting/Webinar **on Tuesday November 29th**, either in-person at the **DTSC** Chatsworth office, or via the **Webinar**.

Please notify us of your intent to participate by RSVP'ing.

If you plan on participating remotely, use the **NEW** link provided below to **Register now**:

<https://attendee.gotowebinar.com/register/5404898274516645889>

After registering, you will receive a confirmation email containing information about joining the Webinar on Tuesday, November 29th, **from 6:00 PM – 7:30 PM**.

Thank you

Dear Exide Advisory Group and Stakeholders:

In preparation for the release of the DRAFT Remedial Action Plan (RAP), and the Draft Environmental Impact Report related to the residential cleanup project surrounding the former Exide facility in Vernon, please join us for a discussion about several relevant topics including sampling strategies, exposure point concentration, 95% UCL, and priority rankings. Dr. Wells, technical advisor to the Exide Advisory Group will be present to aid in the discussion. We look forward to your feedback regarding these important concepts that will be essential to our cleanup project. Please join us in this meeting.

Date: **Tuesday, November 29, 2016**

Time: **6:00pm – 7:30pm**

In Person Meeting
Department of Toxic Substances Control

9211 Oakdale Ave.

Chatsworth, CA 91311

(818)717-6500

Participate via Webinar

Join us for a webinar on Tuesday Nov 29, 2016 at 6:00 PM PST.
